

Ithaca Beer's Every Day Haze, a juicy, fruity and deceptively smooth east coast style hazy IPA. Brewed with a dynamic combination of complex aromatic hops, which creates unique tropical citrus depth. Soft and creamy on the palate, Every Day Haze gets its light haze and silky mouthfeel from healthy additions of wheat and oats. the East Coast style is less bitter and slightly sweeter than its West Coast counterpart. This style typically packs a punch of fresh orange or grapefruit juice.
