PALE ALE

## HOP FORWARD PALE ALE

*Featuring New York State Ingredients*

Ithaca Beer proudly supports the hop and malt producers of New York State with the release of Brew York! Exceeding New York State's farm brewery license requirement of 60% New York State grown hops and grains, Brew York is the first of its kind available statewide in both package and draft.

With full confidence in the quality and supply of ingredients, Ithaca Beer is partnering with several New York State growers and producers to bring this outstanding, truly local hop forward ale to proud New Yorkers throughout our great State!
