**WILD ALE BREWED WITH BLUEBERRY**

## *Celebrating 20 Years!*

It's been 20 years since Ithaca Beer began as a small microbrewery and homebrew shop in a renovated storefront on Route 13 in Ithaca. Two decades and many, many pints later, we're still making some of the best beer anywhere and proud to be the "Spirit of the Finger Lakes."

To celebrate this milestone, we offer this, our latest Excelsior Series release: Anniversary 20. A beautifully crafted sour Wild Ale brewed with Blueberry.

Thank you for your support and cheers to many more years of great beers!
