

An American Saison, that uses a blend of Belgian Saison and American Ale yeast to present a refreshing, yet invigorating beer. The recipe aims to balance the dry and flavorful malt profile that includes pilsner, wheat, oats, and rye, with the popular, albeit purposeful, additions of Mosaic, Citra, and Galaxy hops. The refreshingly aromatic and inviting spiciness of the belgian yeast reminds you the warmth and fresh air of Spring is around the corner.

SAISON
